

Primary PE Subject Leaders Day 3rd November 2016 Workshops

Organisation		Title	Description
Skills 2 Achieve	1	How to track, evidence and assess Physical Education, Sport, Physical Activity and Health	To provide the key principles that will develop a clear understanding of assessment and its importance in teaching and learning of Physical Education. Have the opportunity to understand Skills2Achieve as a powerful tool to support assessment, track progress and evidence PE, school sport, physical activity and health
Public Health Warwickshire	2	How to engage pupils in healthy lifestyles	The Warwickshire School Health & Wellbeing Service and Family Weight Management Service, Change Makers, provide preventative and public health programmes in schools across the county for all school aged children between 4-19 years. The workshop will enable participants to utilise and contribute to the delivery of public health programmes using a variety of approaches and tools to engage with pupils on an individual, group and school level basis whilst contributing to school public health plans and maximising the expertise of partner agencies available to you, your pupils, families and local communities.
CSW PE Advisor	3	Effective use of the primary premium and how to demonstrate impact and sustainability	This workshop will share a number of case studies showing how different schools have made effective use of the premium. They will unpick exactly what schools should be reporting on using preferred templates and will explore ways in which schools can demonstrate impact.
Create Development	4	Giving all children the physical literacy, emotional and thinking skills to succeed in PE, School and Life	A child's early experiences will provide a blueprint for their adult lives, developing the core memories and Fundamental Movement Skills that act as the foundations for future activity. We know that active, healthy children achieve more. This interactive, experiential workshop will explore simple solutions and introduce real PE, an innovative programme to achieve these outcomes, by developing positive learning behaviours, transforming the culture of physical activity in the school.
SCCU	5	The use of Apprentices and Government Funded Training to support your school's PE Workforce	The workshop will explore and give examples of how different types of apprenticeships can support your schools PESS, develop current staff through government funded training and upskill pupils to strengthen the wider school workforce in a cost effective way.
CSW Inclusion Hub School	6	Being Inclusive in PE and School Sport	A workshop that explores how to ensure your PE lessons and other activities in your school are inclusive.
YST	7	The Power of an Active School	Creative ideas for PE and physical activity – this interactive workshop will inspire and support schools to increase physical activity throughout the day to boost health and academic achievement for young people (abridged version of a half day CPD session)
Create Development	8	Gymnastics taster	'real gym' is an innovative, vibrant, inclusive scheme which supports teachers to become competent and confident to deliver gymnastics activities and create rounded learners. Building on the approach of 'real PE' real gym develops children holistically through gymnastics activities. This is a practical workshop and will introduce delegates to 'real gym'. NB: this is not the full training, this workshop is designed to provide delegates with a taster
